

ADMISSION TO GRADUATE STUDIES

Students who wish to enroll in graduate studies must be admitted officially to graduate studies on formal application. To allow sufficient time for processing, notice of acceptance, and program approval, completed application forms together with other required materials including official transcripts — should be filed with the Office of Graduate Admissions well in advance of the opening date of registration for the term. Registration for a term is based on satisfaction of requirements for admission and enrollment prior to the close of the registration period for that term.

Acceptance for admission is based on the program objective declared in the application. Request for a change of original purpose — either before or after enrollment — is cleared through the dean of the college in which the program is offered. Applicants accepted for admission who do not enroll must contact the Office of Graduate Admissions to update their application.

UNA Policy on Nondiscrimination

UNA adheres to all federal and state civil rights laws prohibiting discrimination in public institutions of higher education. UNA will not discriminate against any employee, applicant for employment, student or applicant for admission on the basis of race, color, sex, pregnancy, religion, creed, ethnicity, national origin, disability, age, sexual orientation, gender identity, veteran or military status, predisposing genetic characteristics, domestic violence victim status or any other protected category under applicable local, state or federal law, including protections for those opposing discrimination or participating in any resolution process on campus or within the Equal Employment Opportunity Commission or other human rights agencies. This policy covers nondiscrimination in employment and in access to educational opportunities. Therefore, any member of the campus community who acts to deny, deprive or limit the educational, employment, residential and/or social access, benefits and/or opportunities of any member of the campus community, guest or visitor on the basis of their actual or perceived membership in the protected classes listed above is in violation of the UNA policy on nondiscrimination. The University will consider, through appropriate and designated procedures, the report of any member of the university community who has reason to believe he/she has been affected by discrimination as listed above. Non-members of the campus community who engage in discriminatory actions within university programs or on university property are not under the jurisdiction of this policy, but can be subject to actions that limit their access and/or involvement with university programs as the result of their misconduct. All vendors serving the university through third-party contracts are subject by those contracts to the policies and procedures of their employers.

Reports of discrimination can be submitted online: www.una.edu/policies

Reports may also be filed pursuant to the Student Complaint Process: www.una.edu/policies

Reports of discrimination may be reported to the following areas:

Human Resources	256-765-4291
Student Conduct	256-765-5012
Title IX Administrator	256-765-4223

Requirements for Graduate Admission

Consideration for admission to graduate studies is based on the following:

1. Official application and one-time, non-refundable \$50 application fee.
2. Possession of a bachelor's degree or equivalent in an appropriate field of study from an institution that is accredited by one of the six U.S. regional accrediting associations, by one of the agencies recognized as an accrediting agency by the U.S. Department of Education, or by an appropriate governmental agency in the country in which the institution is located. Educator preparation majors should contact the college dean concerning restrictions that may apply. Any exceptions to this policy require the approval of the dean of the college in which the graduate major is housed.
3. Submission of official transcripts of credit—undergraduate or graduate—from degree granting institution that qualifies the student for admission to graduate studies. Additional transcript requirements may vary by college in which the program is offered (see “College of Arts and Sciences”, “College of Business”, “College of Education and Human Sciences”, or “Anderson College of Nursing.”) Students receiving financial aid may be required to submit official transcripts from each college previously attended, whether or not a degree was granted from that institution. For more information contact Student Financial Services. Students who have earned all credits at The University of North Alabama or students seeking admission as transient students do not need to submit transcripts; however, transient students must submit the required letter of approval from the parent school. The acceptance of official transcripts and other documents submitted for admission to any graduate program may be subject to verification and authentication.
4. Approval from the graduate program department through satisfactory test scores, scholastic achievement, preparatory coursework, or other requirements additionally specified by the particular college in which the program is offered.
5. College of Arts and Sciences Admission Requirements (<https://catalog.una.edu/graduate/arts-sciences>)
6. College of Business Admission Requirements (<https://catalog.una.edu/graduate/business/admission>)
7. College of Education and Human Sciences Admission Requirements (<https://catalog.una.edu/graduate/education-human-sciences/admission>)
8. Anderson College of Nursing and Health Professions Admission Requirements (<https://catalog.una.edu/graduate/nursing/admission>)

Non-Degree Seeking Graduate Unclassified Students

Eligible applicants who wish to enroll for advanced credits only — as distinct from pursuing a degree — may be admitted unconditionally or conditionally as unclassified students for such coursework as prior preparation permits. Admission and enrollment requires the approval of the dean of the college in which the course or courses are offered. No assurance is given that credit earned while in unclassified status may subsequently be applied to a degree or certification program or be transferable to another institution. A change from unclassified to regular status or a change in certification objectives requires a new application

and is subject to current regulations and standards. Unclassified students are subject to all academic requirements and regulations applicable to degree seeking students and are limited to enrollment in a maximum of 12 semester hours. Any exceptions to this policy require the approval of the dean of the college in which the graduate major is housed.

Graduate Transfer Students

Students who are in good standing in graduate programs at other recognized graduate schools, and who satisfy basic admission requirements, may be admitted as transfer students. Requests for transfer credit should be initiated by the student with the designated graduate advisor's approval. Acceptance of graduate credit by transfer is normally limited to six semester hours of B or higher grades in graduate work appropriate to the degree program at UNA. Exceptions must be approved by the appropriate graduate program coordinator/director, department chair, and college dean. Individual graduate programs may specify predetermined limits in their section of this catalog. Acceptance of credit by transfer does not affect the quality point status required on work attempted at the University of North Alabama. Residence requirements are not applicable to graduate programs. All transfer students are subject to UNA's scholastic standards. If these standards are not met, further academic action will be necessary.

Graduate Transient Students

Graduate students in good standing at other recognized graduate schools may, upon the advance written approval of the graduate dean or other appropriate official at the parent school, enroll as transient students in courses for graduate credit for which approved and for which prerequisites have been satisfied. Students applying for transient admission are not required to submit official transcripts, but the letter of approval from the parent school must be submitted prior to registration for the term.

Undergraduate Student Approvals

Acceptance of Seniors to Take Graduate Courses

A senior student at the University of North Alabama who is within one semester of graduation with a 3.0 cumulative GPA may request approval to take up to six semester hours of graduate classes. (Additional requirements may vary by college in which the program is offered: see "Anderson College of Nursing", "College of Arts and Sciences", "College of Business", or "College of Education and Human Sciences.") To better promote UNA 3+1+1, 3.5+1 bachelor to master and 1+1 master to master double degree programs, international studies from UNA Global Partner Universities may request approval to take 6-9 hours of graduate classes. Requests should be submitted to the dean of the college in which the graduate program is housed. Graduate coursework used to complete a teacher certification program may not be applied to a certification program at a higher level. The acceptability of graduate credit earned in this manner is conditional upon:

1. satisfactory completion of undergraduate requirements;
2. satisfactory work on the graduate course(s) for which enrolled; and
3. a student's total load cannot exceed 18 semester hours.

Any exceptions to this policy require the approval of the dean of the college in which the graduate program is housed. Enrollment in graduate courses does not constitute acceptance into a graduate program.

Accelerated Bachelor's/Master's Program

The Accelerate Bachelor's/Master's Program (AMP) offers qualified UNA undergraduate students the opportunity to enroll in graduate coursework that can be applied concurrently to an undergraduate and graduate degree. Students may earn up to a maximum of 9 graduate credit hours toward both the undergraduate and graduate degree at undergraduate tuition rate.

Eligible UNA undergraduate students participating in the AMP program must submit a formal application to graduate studies. See the departmental sections of the Graduate Catalog for program specific admission requirements. The graduate application fee is waived for AMP participants. Appeal of Admission Denial

Applicants who have been denied admission to a UNA graduate program may appeal this decision by submitting a written letter of appeal to the dean of the college to which they applied. This letter of appeal should state the reasons for reconsideration of the decision. The dean will review the appeal, make a judgment regarding the request, and inform the applicant and the academic department. Should applicants wish to appeal the decision of the dean, they may request a hearing with the Faculty Appeals Committee of the college. Upon hearing the case, the Faculty Appeals Committee will, within 10 calendar days, uphold the decision or refer it back to the college dean for further review. In either case, the college dean is responsible for notifying the student of the final disposition of the case. Appeals must be submitted within 60 calendar days of notification of denial of admission.

Application Requirements

In compliance with accreditation standards, all admission documents such as high school, college diploma, and university degree sheet must be official. UNA does not require the original diploma or degree sheet, but a copy of the original documents must be notarized or attested. The notary or attester must be provided by the school or university attended, by a government official, or by a government-approved notary firm. Copies of nonnotarized documents, scanned, or faxed documents will not be accepted.

In addition to the admission requirements listed above under each category, international students must meet all established University admission requirements and submit the following

- **Proof of Financial Support:** All international students must furnish official evidence (e.g., bank statements) of sufficient funds (US \$24,000 or equivalent currency) to cover educational and living

expenses. If a student is sponsored by someone other than his/her parents, the following two letters are required: an official bank letter from the sponsor's bank showing sufficient funds that meet the sponsorship requirement and a letter from the student's sponsor stating that s/he is willing to sponsor the student. Private sponsored applicants should have their sponsor(s) (if the sponsor is in the U.S.) execute and send an Affidavit of Support (USCIS Form I-134) which is legally binding. Government sponsored applicants should submit a government scholarship letter.

- **Insurance:** To be in compliance with U.S. Federal Regulations regarding international students, all UNA international students must have UNA approved health insurance coverage while enrolled at UNA.
- **Evaluation of International Transcripts:** International students who have attended a college or a university outside the United States must have their transcripts evaluated by a university-approved international credentials evaluator such as World Education Services (WES), Educational Credential Evaluators (ECE), etc. All Colleges at UNA, except the College of Business, require a WES or ECE evaluation of the student's transcript before the student can be admitted to graduate programs. Students applying for the MBA program do not have to provide a WES evaluation if they have a verifiable bachelor's degree from a recognized university.
- **Application Fee:** It is the policy of UNA that a non-refundable \$100 international application fee must be paid before an application is processed. Students completing ESL and going into undergraduate or graduate degree programs are not required to pay the \$100 application fee again.
