

MASTER OF ACCOUNTANCY (MAcc)

The Master of Accountancy (MAcc) is a 30 semester hour program designed to provide individuals with a more thorough knowledge of accounting theory and practice. In addition to meeting the admission requirements for graduate study in the College of Business, one should have the equivalent of a bachelor's degree in accounting or successfully complete undergraduate accounting prerequisites as prescribed by an Accounting-MBA/MAcc Coordinator. In most states, including Alabama, one must complete 150 semester hours of education in order to be eligible to sit for the CPA exam. The UNA MAcc Program provides the remaining courses required for the CPA exam for students who have the equivalent of a bachelor's degree in accounting.
