

MBA - MASTER OF BUSINESS ADMIN (MBA)

***Course Fees are Per Credit Hour**

MBA 600. Foundations of Business, Part 1. (2 Credits)

This course will review financial modeling, accounting statements, marketing strategy, and principles of management. The objectives include: review of skills and content necessary for success in the graduate program; development of a foundational knowledge base that will be shared by all new MBA students; and a skills refresher for students who completed business undergraduate degrees but have been out of school for a period of time. Must be completed during the first two semesters of enrollment. PREREQUISITE: Admission into the MBA program.

Course Fees: \$90

MBA 601. Foundations of Business, Part 2. (2 Credits)

This course will review analytical and quantitative skills, economic models, and basic computer information systems. The objectives include: review of skills and content necessary for success in the graduate program; development of a foundational knowledge base that will be shared by all new MBA students; and a skills refresher for students who completed business undergraduate degrees but have been out of school for a period of time. Must be completed during the first two semesters of enrollment. PREREQUISITE: Admission into the MBA program.

Course Fees: \$90

MBA 603. MBA Essentials. (1 Credit)

This course will provide new MBA students with essential information that is needed for graduate level work and will be taken in the student's first semester. The focus will be on success in the online environment, graduate level writing expectations, career planning, utilizing university resources, and outlining the program's learning goals. Prerequisite: Admission into MBA program. Corequisite: MBA 600.

Course Fees: \$90
