MONTHLY PAYMENT OPTIONS

The University of North Alabama offers the option to pay in full or to pay via participation in a payment plan. Installment plan payments are divided equally according to the duration of the plan.

The plan is optional and requires a $45.00 (non-refundable) enrollment fee per semester that is due at the time of enrollment in the plan, in addition to the first payment.

Students must enroll in the payment plan in accordance with each semester's payment deadlines or their class schedule is subject to cancellation.

Enrolling in a payment plan does not result in automatic payment scheduling. Payment plan participants must either log in each month to make payments or schedule their payments in advance according to the due dates of the plan installments within the student account.
