Admission

Students who wish to enroll in graduate studies must be admitted officially to graduate studies on formal application. To allow sufficient time for processing, notice of acceptance, and program approval, completed application forms together with other required materials including official transcripts — should be filed with the Office of Graduate Admissions well in advance of the opening date of registration for the term. Registration for a term is based on satisfaction of requirements for admission and enrollment prior to the close of the registration period for that term.

Acceptance for admission is based on the program objective declared in the application. Request for a change of original purpose — either before or after enrollment — is cleared through the dean of the college in which the application is filed. Request for a change of original purpose — either before or after enrollment — is cleared through the dean of the college in which the application is filed. Applicants accepted for admission who do not enroll must contact the Office of Graduate Admissions to update their application.

Admission

Consideration for admission to graduate studies is based on the following:

1. Possession of a bachelor’s degree or equivalent in an appropriate field of study from an institution that is accredited by one of the six U.S. regional accrediting associations, by one of the agencies recognized as an accrediting agency by the U.S. Department of Education, or by an appropriate governmental agency in the country in which the institution is located. Educator preparation majors should contact the college dean concerning restrictions that may apply. Any exceptions to this policy require the approval of the dean of the college in which the graduate major is housed.

2. Submission of official transcripts of credit—undergraduate or graduate—from degree granting institution that qualifies the student for admission to graduate studies. Additional transcript requirements may vary by college in which the program is offered (see "College of Arts and Sciences", "College of Business", "College of Education and Human Sciences", or "Anderson College of Nursing."). Students receiving financial aid may be required to submit official transcripts from each college previously attended, whether or not a degree was granted from that institution. For more information contact Student Financial Services. Students who have earned all credits at The University of North Alabama or students seeking admission as transient students do not need to submit transcripts; however, transient students must submit the required letter of approval from the parent school. The acceptance of official transcripts and other documents submitted for admission to any graduate program may be subject to verification and authentication.

3. Satisfactory test scores, scholastic achievement, preparatory coursework, and other requirements additionally specified by the particular college in which the program is offered (see "College of Arts and Sciences", "College of Business", "College of Education and Human Sciences", or "Anderson College of Nursing.").

4. All programs leading to teacher certification at the Master’s and Education Specialist levels have specific admissions criteria including background clearance. Please refer to the "College of Education and Human Sciences" section for all requirements.

Admission to the Alternative A (Fifth-Year) Program

1. A score of 388 or better on the Miller Analogies Test, a score of 146 on the Verbal and 140 on the Quantitative portions of the Graduate Record Examination, or a passing score on the appropriate PRAXIS II subject area test prior to graduate admission.

2. A bachelor's or higher degree from a regionally accredited university with a minimum grade point average overall of 2.75 (4.0) documented on the official transcript from the degree-granting institution.

3. ASBI/FBI background clearance.

4. Unconditional admission to the Graduate Educator Preparation Program.

5. Candidates should consult with their education advisor regarding specific EPP requirements.

Transient Admission

Graduate students in good standing at other recognized graduate schools may, upon written approval by the graduate dean or other appropriate official at the parent school, enroll as transient students in courses for graduate credit for which approved and for which prerequisites have been satisfied. Students applying for transient admission are not required to submit official transcripts, but the letter of approval from the parent school must be submitted prior to registration for the term.

Acceptance of Seniors to Take Graduate Courses

A senior student at the University of North Alabama who is within one semester of graduation with a 3.0 cumulative GPA may request approval to take up to six semester hours of graduate classes. (Additional requirements may vary by college in which the program is offered; see "Anderson College of Nursing", "College of Arts and Sciences", "College of Business", or "College of Education and Human Sciences."). To better promote UNA 3+1+1, 3.5+1 bachelor to master and 1+1 master to master double degree programs, international studies from UNA Global Partner Universities may request approval to take 6-9 hours of graduate classes. Requests should be submitted to the dean of the college in which the graduate program is housed. Graduate coursework used to complete a teacher certification program may not be applied to a certification program at a higher level. The acceptability of graduate credit earned in this manner is conditional upon:
1. satisfactory completion of undergraduate requirements;
2. satisfactory work on the graduate course(s) for which enrolled; and
3. a student’s total load cannot exceed 18 semester hours.

Any exceptions to this policy require the approval of the dean of the college in which the graduate program is housed. Enrollment in graduate courses does not constitute acceptance into a graduate program.

**Accelerated Bachelor’s/Master’s Program**

The Accelerate Bachelor’s/Master’s Program (AMP) offers qualified UNA undergraduate students the opportunity to enroll in graduate coursework that can be applied concurrently to an undergraduate and graduate degree. **Application Requirements**

In compliance with accreditation standards, all admission documents such as high school, college diploma, and university degree sheet must be official. UNA does not require the original diploma or degree sheet, but a copy of the original documents must be notarized or attested. The
A student who has repeated graduate courses in which a grade of C, D, or F was received may identify up to three credit hours for the purpose of recomputing the GPA. For the course identified, only the most recent grade will be used towards degree requirements and in recomputing the GPA; however, the previous grade will remain on the transcript.

A student will request the recomputing by completing a form which lists the courses (https://www.una.edu/registrar/forms_and_instructions.html) with the Office of the Registrar at any time prior to or on the last day of drop/add of the semester of anticipated graduation. This policy applies only to courses taken and repeated at UNA. Each student should seek help from his or her departmental academic advisor, or from the appropriate dean’s office and the Office of the Registrar, to determine if this policy is allowable in his/her degree program. In the Anderson College of Nursing, no student will be permitted to use the Repeat/Recompute Policy for any nursing course (NU designation). Students should be aware that utilizing the Repeat/Recompute Policy may not be looked upon favorably by some employers, by professional schools and by honor societies. The Repeat/Recompute Policy may not be applied after the degree has been conferred. Also, all courses attempted at UNA will be counted in determining a student’s eligibility for Federal Student Aid. (See Student Financial Services for more details.)

Academic Dismissal

For students who have been dismissed from a graduate program for academic or other reasons, reinstatement in the program requires the approval of the respective College Readmissions Committee on the basis of extenuating circumstances. A written appeal must be directed through the Dean of the College for which the student wishes reinstatement. If approved, reinstatement may be based on special conditions and is subject to the regulations and standards in effect at the time of re-enrollment. Following reinstatement, a new application for admission must be filed in the Office of Graduate Admissions along with a current bank letter.

Unclassified Students

Eligible applicants who wish to enroll for advanced credits only — as distinct from pursuing a degree — may be admitted unconditionally or conditionally as unclassified students for such coursework as prior preparation permits. Admission and enrollment requires the approval of the dean of the college in which the course or courses are offered. No assurance is given that credit earned while in unclassified status may subsequently be applied to a degree or certification program or be transferable to another institution. A change from unclassified to regular status or a change in certification objectives requires a new application and is subject to current regulations and standards. Unclassified students are subject to all academic requirements and regulations applicable to degree seeking students and are limited to enrollment in a maximum of 12 semester hours. Any exceptions to this policy require the approval of the dean of the college in which the graduate major is housed.

Appeal of Admission Denial

Applicants who have been denied admission to a UNA graduate program may appeal this decision by submitting a written letter of appeal to the dean of college to which they applied. This letter of appeal should state the reasons for reconsideration of the decision. The dean will review the appeal, make a judgment regarding the request, and inform the applicant and the academic department. Should applicants wish to appeal the decision of the dean, they may request a hearing with the Faculty Appeals Committee of the college. Upon hearing the case, the Faculty Appeals Committee will, within 10 calendar days, uphold the decision or refer it
back to the college dean for further review. In either case, the college
dein is responsible for notifying the student of the final disposition of the
case. Appeals must be submitted within 60 calendar days of notification
of denial of admission.
