

CLINICAL REQUIREMENTS

All students are to have a physical examination, proof of required immunizations or titers, current tuberculosis screening, proof of BLS for Healthcare Providers, health insurance, a notarized Felony Affidavit, OSHA/HIPAA training, and proof of liability insurance with student coverage prior to beginning clinical courses. Students are also to have clinical contracts, Intent of Relationship Form, Professional Profile, and Urine Drug Screen/Criminal Background Check submitted. Students must also hold current licensure (unencumbered) in the state(s) in which they complete clinical experiences. The submission of the appropriate forms with these items documented must be submitted a minimum of eight weeks prior to registration for a clinical course (NU 680, NU 681, NU 682, NU 683). Students not meeting these requirements will be withdrawn from the registered clinical course.
