

PSYCHIATRIC MENTAL HEALTH NURSE PRACTITIONER TRACK - POST MASTER'S CERTIFICATE

Requirements for Psychiatric Mental Health Nurse Practitioner Track

The post-masters certificate is 23-32 credit hours, depending on the need to take the support courses. The student will complete a minimum of 500 clinical hours and will attend two on-campus intensives. Students must have had three separate courses in Advanced Health Assessment, Advanced Clinical Pathophysiology, and Advanced Pharmacology within the past 5 years. If not, students will be required to take/re-take the three support courses.
