

READMISSION

Students who desire reinstatement to the graduate nursing program must write a letter of petition to the Anderson College of Nursing and Health Professions. The letter is to be sent to the Chair of the Online Nursing Program and must include any extenuating circumstances that may have contributed to the failure to be successful in the previous attempt in the MSN program. The letter must also include a plan for successfully completing the program, including specific strategies to ensure success.

After the graduate faculty reviews requests for readmission, recommendations are made to the Chair of the Online Nursing Department who will notify students of decision. Readmitted students must follow any recommendations or stipulations proposed by the dean and faculty as conditions for readmission.
