

CHEMISTRY MINOR

Requirements for a Minor in Chemistry

Code	Title	Hours
General Chemistry		
CH 111 & 111L	General Chemistry and General Chemistry Laboratory	4
CH 112 & 112L	General Chemistry and General Chemistry Laboratory	4
Chemistry Electives		
Select 12-15 hours from the following Chemistry Electives:		12-15
Organic Chemistry:		
CH 311 & 311L	Organic Chemistry and Organic Chemistry Laboratory (required for OHS majors) *	
CH 312 & 312L	Organic Chemistry and Organic Chemistry Laboratory	
Quantitative Analysis:		
CH 321 & 321LW	Quantitative Analysis and Quantitative Analysis Laboratory	
Instrumental Analysis:		
CH 322 & 322LW	Instrumental Analysis and Instrumental Analysis Laboratory (required for OHS majors) *	
Applied Physical Chemistry:		
CH 341 & 341L	Applied Physical Chemistry and Applied Physical Chemistry Laboratory (required for OHS majors) *	
Biochemistry:		
CH 441	Biochemistry	
Total Hours		20

* Required for Occupational Health Science Majors.
