The Department of History offers a Certificate in Public History to both degree seeking students as well as non-degree seeking individuals seeking professional advancement. The Certificate in Public History introduces undergraduate students to the field of public history while helping students to develop skills necessary to convey history to audiences in a wide array of public and private settings outside of academia. Students have the opportunity to complete a variety of projects, including website design, exhibit design, developing history education programs for museums, and National Register of Historic Places nominations. Through the internship requirement, students will gain valuable public history experience while working in a professional setting. The certificate will help prepare students for graduate level work in public history. The certificate is comprised of eighteen hours of coursework and a required three hour internship.
