- BS Major in Information Technology ([https://catalog.una.edu/undergraduate/colleges-programs/business/department-computer-science-information-systems/informationtechnology](https://catalog.una.edu/undergraduate/colleges-programs/business/department-computer-science-information-systems/informationtechnology))

## Minor Fields

The College of Business provides minor programs in accounting, business administration, category management computer information systems, computer science, economics, entrepreneurship, HCI development CIS, HCI development CS, human resources management, innovation engineering, management, marketing, marketing communications and technology, project management, quantitative methods, real estate and insurance, and sales. Students pursuing majors in business disciplines are not required to have a minor, but they may declare minors offered by the College of Business (except the Business Administration minor) or by other colleges. Minors offered by the College of Business may be applied for minor field requirements in programs offered in other colleges of the University.

• Sales Minor (https://catalog.una.edu/undergraduate/colleges-programs/business/department-management-marketing/sales-minor)

Admission and Retention in the College of Business

1. Admission to the University.
   a. Admission to the University does not assure admission to major programs in the College of Business. Formal application for admission to the College of Business should be made upon completion of 45 semester hours (students will declare a business major when applying for admission to the University and will be classified as "BBA Qualifications" prior to being admitted into the College of Business). Also required for admission is a 2.00 grade point average on all work attempted.
   b. Students must have completed or be currently enrolled in each of the following (or equivalent) before COB admission is granted: Accounting Concepts I (AC 291), Accounting Concepts II (AC 292); The Legal Environment of Business (BL 240); Business Applications of Microcomputer Software (CIS 125); Fundamentals of Speech (COM 201) or Business and Professional Speaking (COM 211); Principles of Macroeconomics (EC 251), Principles of Microeconomics (EC 252); First-Year Composition I (EN 111), First Year Composition II (EN 112), literature (3 hours); history (3 hours); Finite Mathematics (MA 110) or Pre-Calculus Algebra (MA 112); Business Ethics (PHL 250); Statistical Process Control (QM 291); and science (4 hours).
   c. Students must complete all remaining general studies courses and PreBBA Foundation requirements within the first 30 hours following admission into their business major. Failure to complete these courses during the first 30 hours of admission into the business major program will result in suspension from the College of Business until all required general studies and PreBBA Foundation level business courses are successfully completed.
   d. Students who are not admitted into the College of Business cannot enroll in business major courses and most BBA Core Courses.

2. Applications for College of Business admission may be submitted online from the COB website (una.edu/business) and should be completed after the student has completed 45 semester hours. Online applications must be submitted no later than 30 days prior to the planned registration for the BBA Core and business major courses. Admission to the BBA program is required in order to earn your degree.
