SRM 441	Outdoor Education	3
Total Hours		136

¹ The CLEP examination may be taken for this course

² Fulfills literacy requirement.

Notes:

- Candidates may take the following professional education courses prior to admission to TEP. Preprofessional Seminar and Laboratory Experience (ED 292), Content Literacy (ED 375), Instructional Technology for the High School (ED 381), Introduction to Students with Exceptional Learning Needs (EEX 340), and a content methods course.
- Courses that are taken to fulfill general education requirements which are also included in a teaching field may count in both areas.
- Candidates who plan to seek certification in another state should contact the State Department of Education in that state to find out whether or not a comparable certificate exists in that state.
- All requirements must be completed with a minimum of 120 credit hours.
