

MICRO-CREDENTIAL IN SPANISH FOR THE CLINICAL ENCOUNTER

****This program is closing and will no longer accept students as of August 1, 2024. A teach-out plan pending SACSCOC approval is in place for any currently enrolled students so that they may complete this program****

Program Goals/Objectives:

Spanish for the Clinical Encounter is a two-course fully online micro-credential that, upon completion, will enable healthcare professionals to demonstrate basic proficiency in listening comprehension and speaking in Spanish during a Clinical Encounter at the Novice Mid proficiency level according to American Council on the Teaching of Foreign Languages (ACTFL) standards.

Courses:

Code	Title	Hours
SP 290P	Spanish for the Standardized Clinical Encounter	3
SP 291P	Spanish for the Standardized Clinical Encounter	3
Total Hours		6
