

# DEPARTMENT OF HEALTH PROFESSIONS

---

The Health Professions Department is proud to offer a range of dynamic degree programs designed to prepare students for rewarding careers in healthcare. Our academic offerings include Bachelor of Science and Master of Science degrees: Bachelor of Science in Respiratory Care, Bachelor of Science in Applied Health Science (with a concentration in Health Administration), Bachelor of Science in Occupational Therapy Assistant, and Master of Science in Occupational Therapy.

The Bachelor of Science in Respiratory Care is currently granted Provisional Accreditation by the Commission on Accreditation for Respiratory Care (CoARC). Both the Bachelor of Science in Occupational Therapy Assistant and the Master of Science in Occupational Therapy are currently in the candidacy phase for accreditation by the Accreditation Council for Occupational Therapy Education (ACOTE®).

Join us in advancing healthcare through excellence in education, hands-on experience, and a commitment to improving lives.
