SCED - SCIENCE EDUCATION

SCED 480. Teaching Science in the Secondary Schools. (3 Credits)
Examine the problems of teachers in secondary science in integrating
laboratory activities into the science curriculum as a basis for inquiry
learning. The course provides experience in effective planning, preparing,
teaching, in a context of inquiry learning as well as assessing student
achievement. This course centers on active engagement of teaching
candidates as they incorporate safety concerns, technology, resources,
science education reform concepts, the Alabama Course of Study and
National Science Education Standards in their science major. This course
cannot be used as a 400-level elective in any major or minor other than
secondary education. Two periods and one 2-hour laboratory per week.
Field trip(s) are required. Credit is awarded only in science major BI, CH,
ES, or PH. Prerequisite: ABI/FBI Background Clearance.
Course Fees: $50
