

# ALUMNI RELATIONS

---

The UNA Office of Alumni Relations proudly serves 70,000 alumni. Our mission is to foster a spirit of pride and loyalty to the University of North Alabama through partnerships with faculty, staff, and students to actively engage our alumni community.

We are fully committed to reaching out to all alumni, establishing a relationship with them at whatever level they are most comfortable with, and connecting them to their alma mater in whatever capacity is most meaningful to them.

The Office of Alumni Relations strives to promote fellowship and positive communication among and between its members and the University of North Alabama, as well as to support institutional growth and development.
