Centers

Center for Women’s Studies (https://www.una.edu/womensstudies/)
Center for Women’s Studies (CWS) was established in 2004 to educate the campus and Shoals community about women’s and gender issues. Unlike other campus Women’s Resource Centers, the CWS is a “hybrid” center that coordinates the interdisciplinary Women’s Studies minor and sponsors programs, presentations, and exhibits that focus on the topics of women & gender—providing informational programs concerning gender-based violence is of special importance. Additionally, CWS sponsors two RSOs (UNA Student Chapter of AAUW and the Women’s and Gender Studies Association) and is an inclusive social center that welcomes all students, faculty, staff, and community members.

Programs

Presidential Mentors Academy
(https://www.una.edu/pma/)

Presidential Mentors Academy was established in 1997 under the leadership of Dr. Ernestine Davis in conjunction with the University President’s Office to develop a scholarship, mentoring and leadership development program for underrepresented minority high school graduates who demonstrate excellence in academic and community leadership. The mission of the academy is to select and mentor students who demonstrate leadership potential, academic excellence and dedication to community service.

The objective is to help students become effective and efficient leaders both on campus and in the community by providing educational opportunities and events that allow interaction with different cultures, experience in different occupational settings and other interactive experiences. They also serve as ambassadors and recruiters for the University and hosts for University events, participate in workshops and community service events, and serve as peer mentors within the academy.
